## EDUCATION

**Guru Nanak Dev University(CGPA : 8.27)**

*Bachelor of Technology in Computer Science and Engineering*

Amritsar, Punjab

2021 – 2024

**Mehr Chand Polytechnic College(82%)**

*Diploma in Computer Science*

Jalandhar, Punjab

2018 – 2021

## PROJECTS

**Portfolio Website** | HTML, CSS and JavaScript

- The website features a modern and user-friendly design, with a clean layout and intuitive navigation.
- HTML and CSS were used to structure and style the website, ensuring compatibility across different devices and browsers.
- JavaScript was incorporated to enhance interactivity, such as smooth scrolling, image sliders, and form validation.

**Gym Session Booking Website** | NextJS , Node js , tailwind CSS , PostgreSQL

- On the frontend, Next.js provides server-side rendering capabilities, which means faster page loads and better SEO performance. Users can easily navigate through the website, view available gym sessions, and book their desired slots with interactive UI components.
- Meanwhile, the backend powered by Node.js enables smooth communication between the client and server, handling authentication, authorization, and data management. It ensures secure transactions and seamless integration with payment gateways for booking confirmation.
